

FUEL ISLAND WINDSHIELD WASH

GLASS & SURFACE CLEANER

- Multi-Purpose
- Windows
- Windshields
- Glass
- Mirrors
- Hard Surfaces
- Stainless Steel
- Outside Window Cleaning

Fuel Island Windshield Wash / Glass & Surface Cleaner is designed to be used in a fuel island windshield wash dispenser or with the 2 1/2 gallon mixing concentration tote.

Excellent squeegee windshield and glass cleaning solution.

- Streak free formula is designed to clean the toughest dirt and road grime from glass and many hard surfaces.
- Super concentrated to save the operator time and money.

WINDSHIELD SQUEEGEE WASH SOLUTION INSTRUCTIONS:

- 1) Place 1 (one) quick dissolving pillow pack into the fuel island squeegee wash dispenser.
- 2) Add water. Within minutes the product is completely dissolved and ready for use.

GLASS & SURFACE CLEANER INSTRUCTIONS:

- 1) Take 1 (one) Glass & Surface Cleaner quick dissolving pillow pack and place into the 2 1/2 gallon Glass & Surface Cleaner mixing tote.
- 2) Add 2 1/2 gallons of water.
- 3) Allow pillow pack to dissolve completely and product to mix well.
- 4) Fill directly from tote valve into your labeled, color coded, spray bottle. Customized color coded 24 oz. spray bottles are available at no charge. Ask your representative for complete details.
