

STAINLESS STEEL CLEANER & POLISH

- Hard Surfaces
- Bare Metal
- Natural Wood
- Formica
- Appliances
- Fixtures
- Fresh Scent

Stainless Steel Cleaner & Polish is a specifically designed formula that will enhance and brighten the stainless steel in your kitchen and throughout your entire operation.

Oil based Stainless Steel Cleaner & Polish will clean and brighten stainless steel. Also, use to remove grease and soil from unpainted metal, wood, and formica surfaces.

READY TO USE:

- 1) Spray on. Allow to soak briefly, rubbing as needed.
- 2) Polish dry with a clean cloth.

Two convenient trigger sprayers are included in each case.

PACK SIZE:
6 / 32 oz.

2 Trigger Sprayers Included
